

ROCKFON® ECLIPSE™

- **Innovative and aesthetically pleasing frameless acoustic islands** with an attractive smooth white surface offering maximum design freedom
- **Fast and easy to install**, ideal for areas where a suspended ceiling cannot be used
- **High sound absorption** and dimensionally stable even at humidity levels of up to 100%

PRODUCT DESCRIPTION

- Stone wool panel
- Visible side: smooth white painted fleece
- Rear side: white back fleece
- Painted edges
